

ST CHAD'S NEWSLETTER

MARCH

A message from Mrs. Smith... I can't believe we are almost at the end of yet another half term. The weather has been beautiful and it has been absolutely wonderful to welcome parents and families into school again. I know that the feedback from some parents has been really positive. The children have had a marvellous half term. There has been so much going on from World Book Day, St Chad's day, prayers and collections for the Ukraine to animals and science and poetry weeks too. We have a geography week to look forward to next half term as well as our first KS2 night under the stars (information to follow), YR5 trip to Aberdovey and weather pending our first sports day and picnic for over two years. Please join us for our Easter service if you can on Thursday 07th April at 1.45pm in St Chad's Church. I pray that you all have a very lovely Easter and get to spend some time with your family and friends.

John 11:25-26. Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die.

WOW MOMENT

'What do you think will happen if you put a Jelly Baby into water? Will it grow? Should you use hot /cold water? Do certain colours of Jelly Baby grow more than others? Do Jelly Babies shrink? Will the water change colour? Seedlings are very excited to find out the results tomorrow.'

For exciting, regular updates on what's been happening in school, follow us on Twitter [@lichfield_st](https://twitter.com/lichfield_st)

Key Messages

- Please book your child's school dinners in advance using ParentPay, as this saves learning time in school
- New after school clubs for the Summer Term will be sent out before the Easter break
- Please remember not to park on the yellow lines outside school where the bollards are. This is to keep pedestrians safe at drop off and pick up times

PUPIL LEADERSHIP UPDATES

Mrs. Brown and our Super Scientists led a wonderful science week! We enjoyed some amazing scientist costumes and creations at home for our competition.

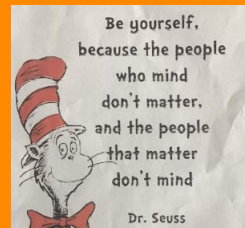

We had some very special visitors in school too!

We have celebrated Poetry week!

We all learnt about different types of poems and celebrated the wonder of poetry. We wrote our own poems and shared some at the Mother's Day service too.

Here was a favourite poem of one of your Y6 pupils.
