

ST CHAD'S NEWSLETTER

FEB/MARCH

A message from Mrs. Smith

I was hoping winter had passed but the return of snow has proved me wrong. I can't believe that half term was almost two weeks ago. We are now busy thinking about our Mother's Day and Easter celebrations and hope that you will join us for as much as you can, if you can of course.

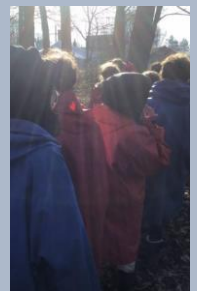

I have some wonderful news to share with you...Mrs Litherland is expecting her first baby in September. This is early news for us so once we have a plan for covering her maternity we will share that with you. I am sure that you join us in congratulating her and her husband.

Thank you to all of our parents who completed the parent questionnaire. We will be evaluating the results and sharing outcomes in the near future. Your opinions matter to us and we value your feedback. Watch out for my response letters in the summer term.

With every blessing, Mrs Smith

LACHES WOOD Y5

Lots of our lovely Y5 children visited Laches Wood for their residential trip this year. They were accompanied by Miss Gough, Mrs Litherland and Mrs Wheale, who said the childrens' behaviour was fantastic; they supported each other; worked collaboratively and gave everything a go! So many fears faced and wonderful efforts by all. A huge well done!

WOW MOMENTS

Children in Shoots helped to make their own pizza and watched as kitchen staff put it into the oven for us 😊 We looked at a different version of our topic book along with it, called "The Little Red Hen Makes a Pizza". Delicious!

St Chad's have had a wonderful time watching musicians from Entrust performing in a concert. We learnt all about different instruments and music over time! It was brilliant!

Y6 are having great fun evaluating different types of bread. We have tasted: sourdough, bagels, pitta, flatbreads and brioche!

Key Messages

- Please be careful when parking and reversing along the road outside school during drop off and pick up time.
- Please ensure you contact the school office if someone else will be collecting your child from school. Our office staff can then pass the message onto the relevant teacher.
